Re: Certificate of Achievement **in PDF format**

I am writing to thank you for your participation in the 2023 National Hurricane Conference, April 3-6, at the New Orleans Riverside Hotel, New Orleans, LA.

We hope that your experience at the conference was a good one. Your involvement in educational conferences such as the National Hurricane Conference demonstrates a sincere commitment to the cause of increased professionalism in hurricane preparedness, mitigation and recovery. And I applaud you for taking time from your busy schedule to participate.

Attached is your Certificate of Achievement, which includes professional development hours.

We have asked this year's speakers to provide us with their PowerPoint presentations and/or handouts to upload to our website. This link will take you to our website to view them: [2023 Speaker Presentations](#). Keep in mind that we will be updating the site as we get more speaker responses, so check back if your session isn't up yet.

We hope to see you at next year's conference, March 25-28, 2024, at the Rosen Centre in Orlando, FL!
